EDUCATION

- **MASTER OF PHARMACY**

  Medical Uniwersity of Warsaw
  2014-2020

SKILLS

- **Interpersonal Communication** – I effectively express my ideas and listen to others, facilitating teamwork.
- **Teamwork** – I thrive in group settings, supporting others and working toward shared goals.
- **Continuous Learning** – I am always seeking new skills and knowledge to improve myself.
- **Problem-Solving Ability** – I approach challenges analytically and quickly find solutions.

PROFILE

With a successful career shift into tech, I now have a year of commercial experience as a frontend developer. My goal is to become a full-stack developer, and I'm currently expanding my skills in Node.js to achieve that.
I'm passionate about building user-friendly, visually engaging interfaces and am looking for a role that offers growth in a collaborative, team-oriented environment. Feel free to explore my work at www.dev-journey.pl.
